	Subject:	Settlement Notice

Dear Megan Mostoller:

Thank you for being a valued customer. We'll issue your claim payment(s) through the method you select to receive your funds.

Your settlement breakdown and other claim related information can be found on the included Additional Information page.

As we discussed, this payment is for the Actual Cash Value of your claim less your deductible. (Refer to the Additional Information section.) If you intend to recover withheld depreciation,

- you notify us within 180 days after the date of actual cash value payment of your decision to repair or replace the damaged or destroyed dwelling or private structure.
- you notify us within 30 days after the repair or replacement has been completed.
- the date of completion is within one year from the date of actual cash value payment; or by June 24, 2025.

We've completed the adjustment of your loss and we are closing your claim. Closing your claim does not affect processing payments for recoverable depreciation, or outstanding payment for any other covered part of the claim that has already been accepted and adjusted. Closing your claim does not prevent you from providing us with additional information, including supplemental claims and requests for recoverable depreciation, within the time limits stated in your policy. We will inform you in writing if any such additional information results in reopening your claim.

We encourage you to visit www.farmers.com to learn more about our self-service options available to you, including the ability to view your claim status, upload documents and photos and find local service providers.

If you have any questions, please contact me.

Thank you.

Additional Information

Payment summary:

The following table of information outlines your claim settlement.

Line of Coverage	Dwelling	Separate or Other Structures
Replacement Cost	\$12,423.47	\$3,216.60
Less: Depreciation	\$4,886.96	\$1,359.70
Actual Cash Value	\$7,534.51	\$1,856.90
Less: Policy Deductible	\$1,000.00	\$0.00
Amount	\$6,534.51	\$1,856.90

Settlement information:

Actual cash value is based on replacement cost less any applicable depreciation for age, useful life and condition.

Labor, taxes and other fees and expenses have also been depreciated if not prohibited by your state. To recover depreciation, please send us a copy of any invoices or receipts that demonstrate replacement or repairs. We believe our estimate reflects the reasonable cost necessary to repair or replace the covered damages. Please let me us know immediately if you disagree. We'll reimburse you for the full replacement cost reasonably paid to repair or replace the covered damages or any applicable policy limits.

Any deductible amount will be applied according to policy provisions.

General contractor fees:

We've attached a detailed estimate for the scope of the covered damage and reasonable repair costs. You may choose any repair company you wish to complete repairs. If the repair company you choose will charge more than our estimated amount, please contact us before work begins. We'll review your repairer's recommendations and help reach an agreement.

We are unable to guarantee the workmanship, timeliness, skills or experience of contractors. Because the final agreement is between you and your contractor, we'll be happy to provide assistance or have discussions with your contractor if needed, however my ability to resolve issues related to your contractor's work may be limited.

Prevention of further damage:

The policy provides that after a loss, you should protect your property from further damage. Please keep all receipts for emergency repairs or other expenses related to minimizing further damage.

Legal Notice(s):

We reserve all rights and defenses under the policy and law and no activity on our part should be construed as a waiver. Even though only parts of the policy may be mentioned or quoted in this letter, additional portions if found to be relevant will be applied.

Please note there are time limits set forth in the Conditions ("Lawsuits Against Us" or "Legal Action Against Us" or "Suit Against Us") section of the policy which, depending on your state, may affect the time within which you may pursue your claim. This period may have been extended by statute or case law.

We appreciate the opportunity to serve your insurance needs and want to make sure you have a clear understanding of how your claim will be processed.

Please see the attached estimate of repairs for your damaged property, also called the Replacement Cost Value of your loss. When depreciation is applied to the estimated repair costs, the Replacement Cost Value less depreciation is the Actual Cash Value of your loss. Depreciation is based on the average quality, age, condition, and useful life of the damaged property, unless otherwise noted. Actual cash value for roof materials is determined using either the scheduled roof table if in the policy or the age, condition and useful life of your roof materials. The applicable policy deductible(s) will be deducted from these amounts unless it is applied to another line of coverage.

Please note this estimate reflects the extent of known covered damages to the property referenced above. No supplemental or additional payments will be issued for repairs that have not been included in this estimate, without prior approval. This approval must be obtained prior to replacement or repair. We must have the opportunity to view and inspect any proposed changes or additional work.

Should you receive an estimate of repairs that exceeds this estimate, or if you wish to send us any other information related to your claim, please include "Attention Claim # 7007748964-1" and forward this information to us by:

1. E-mailing to myclaim@farmersinsurance.com
2. Faxing to 877-217-1389
3. Mailing to National Document Center, P.O. Box 268994, Oklahoma City, Ok 73126-8994

When your policy provides for Building Ordinance or Law coverage, any known covered costs resulting from ordinance or law upgrades are itemized in this estimate or contained in a separate estimate we will provide to you. However, these costs are not included as part of the Actual Cash Value of this estimate unless we are paying the full Replacement Cost Value under this estimate at this time. Otherwise, ordinance or law costs will be paid under your policy when incurred by you, subject to your deductible.

Although as a service we may refer contractors or other repair professionals to you, it is your decision to hire the contractor of your choice. We neither direct or manage the activities nor guarantee the work of any contractor, whether referred or not. It is up to you to make sure the work is completed to your satisfaction.

We encourage you to visit www.farmers.com to learn more about our self-service option available to you; including the ability to view your claim status, upload documents and photos and find local service providers.
