Dear Mike Malone:

Thank you for being a valued customer. We'll issue your claim payment(s) through the method you select to receive your funds.

Your settlement breakdown and other claim related information can be found on the included Additional Information page.

As we discussed, this payment is for the Actual Cash Value of your claim less your deductible. (Refer to the Additional Information section.) If you intend to recover withheld depreciation, you must submit a copy of your invoices or receipts within 365 days from the date of our first Actual Cash Value payment, or by July 2, 2025.

We appreciate the opportunity to serve your insurance needs and want to make sure you have a clear understanding of how your claim will be processed.

Attached is the estimate for repair of the damages to your property. This estimate represents the Actual Cash Value of your claim, which is the replacement cost of the damages less any applicable depreciation. Depreciation is based on the average quality, age, condition and useful life of the damaged property, unless otherwise noted. Actual cash value for roof materials is determined using either the scheduled roof table if in the policy or the age, condition and useful life of your roof materials. The applicable policy deductible(s) will be deducted from these amounts unless it is applied to another line of coverage.

If it appears reasonably likely that a general contractor will be needed to coordinate and supervise the repairs, the estimate also includes an amount for general contractor overhead and profit, unless your policy provides that general contractor overhead and profit will only be paid if incurred. In addition, if your policy provides that any amounts for the matching of undamaged materials will only be paid if incurred, then those estimated amounts will be shown under a section of the estimate labeled Matching of Undamaged Property.

Should you receive an estimate of repairs that exceeds this estimate, or if you wish to send us any other information related to your claim, please include "Attention Claim # 7007786253-1" and forward this information to us by:

1. E-mailing to myclaim@farmersinsurance.com or
2. Faxing to 877-217-1389, or
3. Mailing to National Document Center, P.O. Box 268994, Oklahoma City, OK 73126-8994.

Once you have completed the repairs to your property, you may make a Replacement Cost claim for up to the amount of the recoverable depreciation withheld. Any depreciation shown as "non-recoverable" does not qualify for reimbursement. Please refer to the Conditions section of your policy for specific time limits within which you must claim the recoverable depreciation. Once you complete the repairs, please send your supporting documentation to us as outlined above. In any case, your total claim will not exceed the amount you actually spent making the repairs, minus your policy deductible. Estimated costs not actually incurred, like general contractor overhead and profit, will offset recoverable depreciation.

If your policy provides for Building Ordinance or Law coverage, any known covered costs resulting from ordinance or law upgrades are itemized in this estimate or contained in a separate estimate we will provide to you. However, these costs are not included as part of the Actual Cash Value of this estimate. Ordinance or law costs will be paid under your policy when incurred by you, subject to your deductible.

We wish to inform you there are time limits set forth in the Conditions section of your policy which may affect the time within which you may pursue your claim. We suggest that you review the Conditions section of your policy, as may be endorsed, particularly noting the 'Suit Against Us' or 'Legal Action Against Us' provision.

Although as a service we may refer contractors or other repair professionals to you, it is your decision to hire the contractor of your choice. We neither direct or manage the activities nor guarantee the work of any contractor, whether referred or not. It is up to you to make sure the work is completed to your satisfaction.

We encourage you to visit www.farmers.com to learn more about our self-service options available to you; including the ability to view your claim status, upload documents and photos and find local service providers.

Thank you for the opportunity to serve your insurance needs. If you have any questions regarding this claim, please feel free to contact us.
