Dear Valued Customer,

Please refer to the attached itemized estimate. The estimate contains our valuation of the damages for the reported loss and was prepared using usual and customary prices for your geographic area. If this is a supplemental or updated estimate and your policy includes replacement cost coverage, please refer to our communication regarding how to make a claim for any additional eligible payment.

Please note that if your mortgage company is included on your claim payment check, contact the mortgage company to discuss how to handle the proceeds of this payment.

If you choose to hire a contractor or vendor to make repairs, please provide this estimate to them. If you, your contractor, or vendor determine that there are additional building fees and/or permits associated with the estimated repairs that are not included in this estimate, please contact me immediately so that I may review and make a determination as to the appropriate payment.

If the estimate reflects a reduction for Salvage Retention, there are materials estimated for removal that have been identified as having salvage value. The amount reflected for Salvage Retention is applied using current values specific to the weight and quantity of materials to be removed and specific to your geographic region. A report is attached or can be provided upon request that provides a detailed summary of the Salvage Retention amount shown on your estimate. This amount should also be reflected on any estimates or invoicing provided by your contractor or vendor as a reduction in repair costs. Please note that the values provided are subject to change due to market conditions.

If you discover any additional damage to your property, please immediately contact me, either personally or through your contractor/vendor. We may need to re-inspect your property before authorization of supplemental payment. Please do not destroy or discard any of the damaged items until we have had an opportunity to inspect the damages and have reached an agreement with you on any supplemental cost.

Nationwide may also request to re-inspect your property, at your convenience, as part of our commitment to quality and customer service.

Please note your policy may include additional coverages, coverage extensions, and/or settlement provisions that may require you to notify us within certain times of your intent to make a claim under those portions of the policy. Please refer to your policy or contact your claim professional for more information.

Thank you for allowing Nationwide Mutual Insurance Company to serve your insurance needs. Please contact me at the numbers listed above if you have any questions regarding this estimate or any other matter pertaining to your claim.

Any person who with intent to defraud or knowing that he is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement is guilty of insurance fraud.
