Dear Valued Customer,

Please refer to the attached itemized estimate. The estimate contains our valuation of the damages for the reported loss and was prepared using usual and customary prices for your geographic area. If this is a supplemental or updated estimate and your policy includes replacement cost coverage, please refer to our communication regarding how to make a claim for any additional eligible payment.

Please note that if your mortgage company is included on your claim payment check, contact the mortgage company to discuss how to handle the proceeds of this payment.

If you choose to hire a contractor or vendor to make repairs, please provide this estimate to them. If you, your contractor, or vendor determine that there are additional building fees and/or permits associated with the estimated repairs that are not included in this estimate, please contact me immediately so that I may review and make a determination as to the appropriate payment.

If you discover any additional damage to your property, please immediately contact me, either personally or through your contractor/vendor. We may need to re-inspect your property before authorization of supplemental payment. Please do not destroy or discard any of the damaged items until we have had an opportunity to inspect the damages and have reached an agreement with you on any supplemental cost.

Nationwide may also request to re-inspect your property, at your convenience, as part of our commitment to quality and customer service.

Thank you for allowing Nationwide Mutual Insurance Company to serve your insurance needs. Please contact me at the numbers listed above if you have any questions regarding this estimate or any other matter pertaining to your claim.

Ohio law requires the following: Any person who, with intent to defraud or knowing that he/she is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement is guilty of insurance fraud.
