September 24, 2024

Dear William Sell,

This correspondence contains important information regarding Heather Fox's Property claim. Please review and respond accordingly.

Enclosed is the estimate of repairs for the damages to your property. The prices used are the prevailing rates in your geographic location. Please review the estimate with the contractor of your choice.

Please refer to your policy and all applicable endorsements for the full text of the applicable provision.

Recoverable Depreciation

In some estimates, depreciation may be applied, based on the age and condition of the items requiring repair or replacement. If the depreciation is listed as "recoverable depreciation" you may be able to collect all or some of the depreciation after the repairs are complete and the expense has been incurred. You will need to provide us with the final bill/invoice/proof of payment from the repairer. A re-inspection may be required of completed repairs. Please email or send all invoices to:

Email: claimdocuments@afics.com
Mail: Homesite Insurance Company of the Midwest
6000 American Parkway
Madison, WI 53783-0001

Your policy allows 180 days from 09/24/2024 to assert your claim for the recoverable depreciation.

Payment

Payment of this claim, in the amount of \$10,190.60, has been made as outlined on the last page of this estimate.

Payment will be mailed under separate cover.

Supplements

If you find additional damage or costs, report them promptly so we may review them in relation to your policy's coverage. We will not pay for any repairs not listed in the estimate without reviewing and approving them first. Should you elect to make any changes or upgrades to your property, you will be responsible for any additional expenses as a result of these changes or upgrades.

Flooring

If your claim involves the replacement of flooring (carpet, vinyl, wood, ceramic) we reserve the right to send a sample to an independent third party for analysis of the existing flooring and recommend a like kind & quality replacement. If you receive flooring estimates higher than allowed in this estimate, please retain a 12"x12" sample to allow us the opportunity to have the flooring evaluated.

Mortgage

If there is a mortgage on the property, the mortgage company may be listed on any claim payments made, as required by the policy. If the mortgage company is listed on your payment, you will need to contact them to inquire as to their procedures in processing insurance claim payments.

This is an estimate of the damage observed. This estimate neither expresses nor implies coverage for this loss.

Please note the following:

Your estimate contains the abbreviations listed below. We have provided their definitions for your convenience.

RCV = Replacement Cost Value
NRD = Non Recoverable Depreciation

ACV = Actual Cash Value

RD = Recoverable Depreciation
Deduct = Deductible

Your policy and any endorsements will determine how this loss is paid. Your policy may provide that this loss be paid at actual cash value until such time as the damaged property is repaired, rebuilt, or replaced. Actual cash value represents the replacement cost value depreciated based on age and condition. You may be entitled to recover the withheld recoverable depreciation subject to your policy, based on the reasonable amount actually paid to repair, rebuild, or replace covered damages with like kind and quality up to the replacement cost value. Should you be entitled to recover the depreciated amount, you will need to submit documentation detailing the scope of completed repairs or replacement along with proof of payment. This will include receipts showing the date of replacement purchase, amount, and description and/or any other requested documentation.

Please refer to your policy and all applicable endorsements for the full text of the applicable provision. In some circumstances, such as catastrophic events and/or a state of emergency, your state may allow a longer period to recover depreciation. Please consult with your adjuster if you need clarification about recoverable depreciation.

We are required by state law to tell you that pursuant to the terms of your policy and/or applicable state law, legal action must be taken within two years from the date of loss.

We are committed to providing excellent customer service and are here to assist you. Please contact us with any questions you may have.

Sincerely,

Carla Armenta Polanco

Estimate Cover Page.....

The estimate cover page provides the following information:

- A. Your adjuster's contact information
- B. Your claim number
- *Important information about the claims process will be on the second page of your estimate.**

Estimate Details.....

The estimate details outline the damages covered by your policy, which is important to share with your contractor.

- C. **Description** – Details describing the action or item being estimated.
- D. **Quantity** – The number of units for an item.
- E. **Unit** – The cost of a single unit.
- F. **Replacement Cost Value (RCV)** – The estimated cost of repairing a damaged item or replacing an item with a similar one. RCV is calculated by multiplying Quantity x Unit.
- G. **Age/Life** – The current age and its life expectancy.
- H. **Depreciation** – Loss of value that has occurred over time due to factors such as age and wear and tear. If depreciation is recoverable, the amount shown will be in parenthesis. *For example (81.61)*
- I. **Non Recoverable Depreciation** – If depreciation is non-recoverable, the amount shown will be shown in brackets. *For example, <506.94>*
- J. **Actual Cash Value (ACV)** – The estimated value of the item or damage at the time of the loss. Generally, ACV is calculated as Replacement Cost Value (RCV) minus Depreciation.
- K. **Totals** – The total RCV, depreciation and ACV for that area.
- L. **Labor Minimum** – Additional labor to perform small repairs for a certain trade.

Your Estimate Summary.....

Each line of coverage in your estimate has a summary page that shows the total estimated cost (RCV and ACV) and the net claim amount for the coverage included in your policy. The example to the right shows both Dwelling and Other Structure coverage summaries.

- M. **Line Item Total** – The sum of all the line items for that particular coverage.
- N. **Replacement Cost Value** – The total RCV of all items for that coverage.
- O. **Actual Cash Value** – The total ACV of all items for that coverage.
- P. **Deductible** – This is the amount of the loss that you are responsible for. Some policies have different deductibles that could apply based on the type of loss you sustained. Please refer to your policy declarations page for further explanation.
- Q. **Net Claim** – The amount payable to you after depreciation and deductible have been applied. This amount can never be greater than your coverage limit.
- R. **Total Recoverable Depreciation** – The total amount of depreciation you can potentially recover.
