We encourage you to work with a contractor of your choice in completing the repairs to your property. If you or your contractor has any questions or concerns about this estimate, please contact me at the number shown above. It is important to call us with questions prior to beginning repairs, as any changes in the scope of damages or pricing must be pre-approved.

If you have personal property damages that were included on this estimate, prices are calculated utilizing like kind and quality goods, less any applicable depreciation, policy limits, or other adjustments as outlined in the estimate. For your convenience, we can refer you to vendors who may be able to directly replace some of your lost and/or damaged items.
