Price List: OHCA8X_JUN24
Restoration/Service/Remodel
Estimate: L_BURNETT

This is the estimate of repairs for the damages to your property. The prices used are the prevailing rates in your geographic location. Please review the estimate with the contractor of your choice.

Recoverable Depreciation

In some estimates, depreciation maybe applied, based on the age and condition of the items requiring repair or replacement. If the depreciation is listed as "recoverable depreciation" you may be able to collect the depreciation after the completion of the repairs and the expense has been incurred. You will need to forward the final bill/invoice/proof of payment from the repairer. A re-inspection may be required of completed repairs.

Payment

Payment of this claim has been made as outlined on the last page of this estimate. The check(s) will be mailed under separate cover in approximately 2-3 days. A letter regarding the replacement cost benefits and how to recover them will also follow under separate cover.

Supplements

Should you elect to make any changes or upgrades to your property, you will be responsible for any additional expenses as a result of these changes or upgrades. **No supplement will be considered without prior approval.**

Flooring

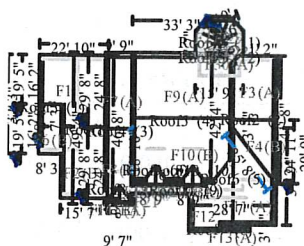

If your claim involves the replacement of flooring (carpet, vinyl, wood, ceramic) we reserve the right to send a sample to an independent third party for analysis of the existing flooring and recommend a like kind & quality replacement. **If you receive flooring estimates higher than allowed in this estimate please retain a 12x12 sample to allow us the opportunity to have the flooring evaluated.**

Mortgage

If there is a mortgage on the property, the mortgage company may be listed on any claim payments made as required by the policy. If the mortgage company is listed on your payment, you will need to contact them to inquire as to their procedures in processing insurance claim payments.

DEFINING SAMPLE ESTIMATE COVER SHEET

The cover sheet of your estimate includes the following important information:

- (1) Your Hanover claim adjuster's contact information.
- (2) Your claim number.
- (3) Your policy number.

SAMPLE ESTIMATE DETAIL

Roof												
				1010.61 Surface Area 127.17 Total Perimeter Length 71.44 Total Hip Length			10.11 Number of Squares 14.42 Total Ridge Length					

DEFINING SAMPLE ESTIMATE DETAIL

This portion will detail your loss or damaged property.

- (4) Description - Details describing the activity or items being estimated.
- (5) Quantity - The amount of material or time needed for an item.
- (6) Unit - The cost of material, labor or equipment for each item.
- (7) Replacement Cost Value (RCV) - The estimated cost of repairing a damaged item or replacing an item with a similar one at today's cost. RCV is calculated by multiplying Quantity x Unit Cost + Tax.
- (8) Age - The age of the item.
- (9) Life - The life expectancy of the item assuming normal wear and tear and proper maintenance.
- (10) Condition - The item's condition relative to the condition of an item of that age (ex. New, Above Average, Average, Below Average).
- (11) Depreciation % - The percentage of the loss of value that has occurred over time-based on factors such as age, life expectancy and condition.
- (12) Depreciation - Reduction in the value of property that has occurred over time based on factors such as age, use, life expectancy and condition. Based on your policy some depreciation may be recoverable. If depreciation is recoverable, the amount is shown in (). If depreciation is not recoverable, the amount is shown in < >.
- (13) Actual Cash Value (ACV) - The estimated value of the item or damage at the time of the loss minus depreciation.
- (14) Labor Minimums - The cost of labor required to perform a minor repair which includes drive time, setup time and applicable administrative tasks.

SAMPLE ESTIMATE SUMMARY

Summary for Dwelling		
Line Item Total		5,142.37
Material Sales Tax		133.19
15 Replacement Cost Value		\$5,275.56
Less: Depreciation		(1,175.56)
Actual Cash Value 16		\$4,099.70
Less: Deductible		(1,000.00)
18 Net Claim		\$3,099.70
19 Total Recoverable Depreciation		1,175.56
Net Claim if Depreciation is Recovered		\$4,275.56
20 Dwelling - Code Upgrade Paid When Incurred		
Line Item Total		1,266.58
Material Sales Tax		24.57
Replacement Cost Value		\$1,291.15
Total Paid When Incurred		\$1,291.15
Net Claim		\$0.00
Net Claim if Additional Amounts are Recovered		\$1,291.15

DEFINING SAMPLE ESTIMATE SUMMARY

For each coverage type reflected in your estimate, there is a summary section that shows the total estimated costs (RCV and ACV) and net claim amount for that specific coverage type. The example to the left depicts a Dwelling coverage summary and the Code Upgrade Paid When Incurred.

- (15) Replacement Cost Value - The total cost of all items for that coverage.
- (16) Actual Cash Value - The total cost of all items for that coverage minus depreciation.
- (17) Less Deductible - The amount of the loss paid out of pocket by the policyholder. A deductible is generally a specified dollar amount or a percentage of your policy limit.
- (18) Net Claim - The amount payable to you today. This is calculated by taking Actual Cash Value minus your deductible.
- (19) Total Recoverable Depreciation - The total amount of depreciation you can potentially recover based on the loss settlement provisions in your policy.
- (20) Code Upgrade Paid When Incurred - The amount that can be recovered for items applicable to the loss required by State specific statutes and/or city/town building codes. Paid for upon completion of the required repairs.

****Non-Recoverable Depreciation** - The depreciation that is not reimbursable based on the loss settlement provisions in your policy.
