The estimate may have been created with the assistance of inspections completed by others, or in collaboration with others, either in person or virtually. It is important to understand that our delivery of the estimate is not a guarantee of coverage. Our investigation of the claim loss, including assessing the facts, circumstances, and coverage, will determine the payable amounts under your policy's terms and conditions.

This is not an authorization to repair. Authorization to repair and guarantee of payment must come from the owner of the property. Please know that no adjuster or appraiser has the authority to authorize repair or guarantee payment. Additionally, the quality of the repair work falls outside the scope of insurer responsibility, and as such the insurer assumes no responsibility for the quality of repair that might be made.

If you choose to hire a contractor or vendor to make repairs, we encourage you to share this estimate with your repair professional, prior to the commencement of the repairs. If you or your repair professional identify additional damages or costs beyond this estimate, please promptly notify us. Your timely communication is both appreciated and necessary.
